Solidarity

We are all a family
and together, we
are stronger.

Life & Dignity

We are all unique
and should treat
everyone with love
and respect.

Care for Creation

We should care for
the planet.

Rights & Responsibilities

Every person has
a right to life and
responsibility to respect
others.

Common Good

We should think
about what is good
for everybody, not just
ourselves.

Dignity of Work

Work is important so
jobs and pay should
be fair.

Option for Poor

We should give extra help
to people who are poor
and vulnerable.
