

St Lewis' Catholic Primary School

Charging and Remissions Policy

The School Mission Statement

To belong to our school community, to believe in ourselves and Jesus and to become all you are meant to be, following the footsteps of Christ

INTRODUCTION

The Head Teacher and Governing Body recognise the value of providing a wide range of experiences to enrich and extend pupils' learning and to contribute to their personal development. The Head Teacher and Governing Body aims to promote and provide such experiences for the pupils of the school, both as part of a broad and balanced curriculum and as additional optional activities.

However, many of these activities have an associated cost and cannot be provided unless voluntary contributions are received or parents are charged for the cost.

This policy will set out the circumstances in which charges will or will not be made for school activities and when charges may be waived in order to ensure that all pupils have an equal opportunity to benefit from school visits, curricular and extra-curricular activities.

Statement:

The policy complies with the requirements of the Education Act 1996

Where 'parent' is referred to this will include adults with a responsibility for the pupil.

We aim:-

- To make school activities accessible to all pupils regardless of family income
- To encourage and promote external activities which give added value to the curriculum
- To provide a process which allows activities to take place at a minimum cost to parents, pupils and the school
- To respond to the wide variations in family income while not adding additional unexpected burdens to the school budget

Legislation – Educational During School Hours

The DfE in its guidance to School Governors states that "education provided during school hours must be free. The definition of "education" includes materials, equipment and transport provided in school hours by school to carry pupils between the school and an activity." It goes on to advise that "although schools cannot charge for school time activities, they still invite parents and others to make voluntary contributions in cash."

When additional costs are incurred by St. Lewis' Catholic Primary School to enhance the curriculum opportunities for the pupils, parents may be requested to make voluntary contributions. However, no pupil will be left out of an activity because his or her parents cannot or will not make a contribution of any kind.

Education Outside School Hours

The DfE in its guidance to School Governors states that "Parents can only be charged for activities that happen outside school hours when these activities are not a necessary part of the national curriculum or religious education. No charge can be made for activities that are an essential part of the syllabus for an approved examination. Charges may be made for other activities that happen outside school hours if parents agree to pay. The Education Reform Act 1988 described activities, which can be charged for as "optional extras".

Remissions

To ensure that access to activities reflects intentions, St. Lewis' Catholic Primary School will implement the following Remissions Policy. The fundamental aim of this policy is to ensure that all pupils gain fully from everything that the school is able to offer them and is based on an understanding of the relationship between low income, entitlement and access. This policy takes into account the very real and persistent difficulties which people on low income have in meeting the costs of educational activities for their children.

There may be cases of family hardship which make it difficult for pupils to take part in other particular activities for which a charge is made. When arranging a chargeable activity the Governing Body will invite parents to apply in confidence for the remission of charges in part or in full. Authorisation of remission will be made by the Head Teacher in consultation with the Chair of Governors.

Data Protection of Pupils and Families.

Teachers will ensure that these children are not publicly identified and stigmatised. This is particularly important as the fear of stigmatisation is often a key element in the non-take up of Free School Meals. This will be accomplished by developing methods of collecting voluntary charges or dinner money, which do not identify children who do not contribute. Termly contributions towards School Fund will be requested at the start of every term through the school newsletter.

CONTRIBUTIONS

Voluntary contributions may be requested to help with providing activities even though they may be part of the normal school day or part of the National Curriculum.

If voluntary contributions are requested for an activity it should be clearly understood that there is no obligation to contribute and that if the parent is unable or unwilling to pay, the child will not be excluded from the activity.

If a child attracts the Pupil Premium funding parents are encouraged to approach the school for assistance with contributions, if needed.

If sufficient contributions are not received the activity may be cancelled.

Archdiocesan Levy: Each family is asked to contribute £10.00 annually towards the School Building Fund. When the Archdiocese contributes towards building work our school has to pay 10% of the final costs.
