TO KNOW YOU MORE CLEARLY

Religious Education is at the core of our curriculum
at St Lewis' Catholic Primary School.

Our curriculum complies with the Requirements of
the Bishops of England and Wales and has been
designed in line with the new Religious Education
Directory (To Know You More Clearly).

This directory seeks to present the teaching of
religious education in a sequential and progressive
form, rooted in the liturgical year.

The framework has four structural elements:

Knowledge lenses which indicate what should be
known by the end of each age phase. These are
split into hear, believe, live and celebrate.

The '**ways of knowing**' are the skills which develop
as the children progress through their curriculum
journey. These are split into:

Expected outcomes are set for each age phase
and indicate what pupils are expected to know,
remember and be able to do.

Curriculum **branches** are the way the programme of
study presents its model curriculum. There are six
half term branches which are the same in each year
group:
