Parent Survey

Yesterday, a link was sent on DOJO for parents to contribute to a survey about playtime. Playtimes are something we would really like to develop and improve to support children's physical and mental well being. We have partnered with OPAL Play who have already had fantastic success in many other schools with developing play but would like your input too.

Thank you to those parents who have already completed the survey!

Next Thursday morning, we will be hosting an open morning for prospective families to come and visit our school and stay to enjoy a forest school session with our Foundation Class.

Please do spread the word about this to anyone you know who might be interested.
