Phonics and Early Reading

After the half term, we will be hosting a phonics/early reading information meeting for parents primarily of children in Reception and Year 1.

Mrs Dodd and Mrs Leahy, our phonics leads, will explain how phonics is taught and how you can support this at home. They will also talk about our approach to reading and again what an important role parents' play in supporting their child's reading journey at home.

Year 1 parents will then have the opportunity to find out about what to expect in the Phonics Screening Check which will take place for pupils in Year 1 in the summer term from Mrs Gibson.

We do hope to see as many of you as possible at this meeting which will take place on

Thursday 6th November at 3:15pm

Polite Reminders

Please ensure children in Y1-6 only bring a healthy snack for playtime (fruit/cereal bar) and water in water bottles. Alternatively toast and milk/fresh fruit juice can be ordered from cook.

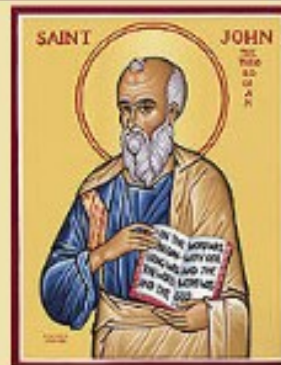

Can we also remind you that NUTS or products containing nuts should not be brought into school due to allergies. Thank you for your co operation.

Following in the footsteps of St Lewis..

“Education is the most powerful weapon which you can use to change the world.” Nelson Mandela

A group of nine children in school uniforms are posing for a photo in a room. They are holding various certificates, including 'Reading Champions' and 'Thank you!' cards. In the background, a projection screen displays the text 'Remember to say thank you every day...' and 'Thank you!'. The children are standing on a wooden floor, and there are green chairs and a table with a laptop visible in the background.
