Transition days

This week, many of our Year 6 pupils have been on transition days at their respective High Schools where they will be going in September and each had an amazing time, getting to meet their new teachers and make new friends.

During this time, we have welcomed new starters who will begin their journey of school with us. We have been so impressed at how quickly they have settled in and adapted to school life. Additionally, children throughout school have enjoyed time meeting their new teacher and class. Miss Uttley who will be our Y3/4 teacher in September, was been unable to join us this week so met with the children who will be in her class next year, a few weeks ago.

Charity Cake and Bracelet Sale

On **Monday**, some girls will be selling cakes and bracelets to raise money to support their Guide group. Cakes and bracelets will be on sale at morning break for 50p and £1 each.

Following in the footsteps of St Lewis...

“ Do the best you can until you know better. Then when you know better, do better.” “We may encounter many defeats, but we must not be defeated. It may even be necessary to encounter the defeat, so that we can know who we are ” **Maya Angelou**

Parking at drop off and pick up times also
Driving on and off the Car Park

Please use the carpark considerately when dropping off and picking children up—cars should be parked in marked bays.

Also could anyone driving on and off the car park drive at a reasonable speed and be mindful of our little people as we have noticed that several cars have been entering and leaving the car park too fast recently.

Thank you for your cooperation in this matter.
