House Points

Last week, Mr Graham introduced the children to our new House Teams. Each child has been put into one of four houses: Matthew, Mark, Luke or John. This is to encourage team work and co-operation. The points that each child receives throughout the week will be added up and weekly totals shared in Friday assembly. At the end of the half term, the house with the highest number of points will be rewarded with extra playtime.

Total House Points this week:

Matthew—195

John—144

Luke—125

Mark—112

Well done everyone!
