Sporting Achievements

On Tuesday afternoon, 18 members of Y5/6 went to Culcheth High to participate in the local cluster of schools inter athletics competition. They competed in a range of events and showcased their amazing sporting talents. Each and every member of the team was incredible—showing great effort and determination to do their very best. Our school came 2nd!

We are all so proud and wish the team lots of luck as they get ready to compete against schools from across the whole of Warrington in the finals on the 4th February.

Bikeability

On Wednesday, children from our Y3/4 class took on the challenge of developing their cycling skills and awareness of safety. The two instructors who led the day, were extremely complimentary about all of the children's behaviour and manners—well done Y3/4!

Everyone welcome!

Jubilee Launch Day for Schools

In both of our assemblies this week, we have gathered together to learn more about the Jubilee Year and what we can do to bring hope to others. The children have engaged in creative activities around the main themes of the year: Hope, Peace, Love and Justice and have shown great thoughtfulness when making their own Jubilee Year pledges.

Today, all children will bring home a prayer card with the prayer of hope that has been specially written to say during the Jubilee year.

News from St. Lewis' Church

On Sunday afternoon, at 3pm there will be tea and cake served at Church which will be followed by an ecumenical service at 4pm. This is a lovely community service for member of all faiths to join together. All are warmly welcome to go along.

Sunday morning Mass: 9am

Following in the footsteps of St Lewis..
