

St Lewis' Catholic Primary School

Friday 14th February 2025

Mission Statement

**To belong, to believe and to become all you are meant to be,
following the footsteps of Christ**

Congratulations to Hugo Nairn for receiving the Headteacher's Award this week! Hugo is always polite, listen well and tries his very best. He is a super role to everyone around him. Well done!

PTA Valentine Disco

Lots of fun was had last night, at the Valentines disco. A massive thank you to the PTA for organising and running this event which raised £675! As well as raising funds for school, more importantly this is a social event for the children to enjoy and spend time with their friends—what a lovely way to end the half term. Thank you to everyone who supported this event in any way.

Total House Points this week:

Matthew—462

John—443

Luke—401

Mark—484

Congratulations to House Mark they have received extra playtime today!

Weekly Attendance

Week ending: Friday 14th February

Year Group	Attendance
Foundation	82.61 %
Year 1/2	93.85%
Year 3/4	96.90%
Year 5/6	96.67%

Congratulations to Year 3/4 Class for having the best attendance! Well done.

Playground works

This week, the work to the resurfacing of the MUGA was completed. Children were very excited to be able to use this great sports space again. Huge thanks to the PTA for making this possible. Over the half term holiday, new playground markings will be laid.

Happy Half term!.

Since returning to school after Christmas, all of our classes have been working incredibly hard. It has been lovely to see the progress they have made and the enthusiasm they have shown.

Some highlights for me have been:

Foundation—Watching them welcome new starters in to Nursery and being so caring towards them. Also, seeing the fantastic progress that all of the class have made in their phonics, mark making and writing this half term.

Y1/2—Listening to their ‘Superhero’ tunes that they created in music and reading their dragon stories inspired by the text ‘The Dragon Machine’

Y3/4—Looking at their stone age houses that they made as part of their history unit and listening to their explanations in maths about how to calculate perimeter.

Y5/6 - Hearing them use geographical language confidently to describe the different parts of a river and seeing them using the new chrome-books to research and present key knowledge.

CAFOD Visit

It was great to welcome Doreen and Jim from CAFOD on Wednesday.

The children listened carefully to the messages they gave them during assembly about how they can be pilgrims of Hope during this jubilee year and enjoyed completing activities back in class. Photographs of the visit can be found on the school Facebook page.

Following in the footsteps of St Lewis..

“Let God grant what is in your heart and fulfil all your plans”

Psalms 20:4

Congratulations to our reading stars this week..
