Jubilee Year of Hope

This morning, the whole school gathered together with most of the other Warrington Catholic Primary Schools via a zoom link, to celebrate the Jubilee Year of Hope. This was a wonderful opportunity for us to join our wider community to share some of the amazing things that we have all done to give hope to others during this special year. We also joined together in song—it really was a great spectacle!

Loved one to lunch

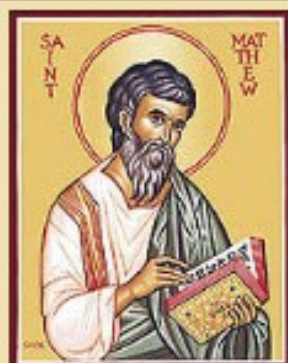

Cook's dinners went down a treat on Tuesday when we welcomed many Y1 and 2 loved ones into school to share lunch. Thank you to all of the adults who came - the children were very excited and loved eating their lunch with you.
