Mad Science Assembly

Next Tuesday, we will welcome the company Mad Science into school who will host a special science assembly for all of the children. They will talk about experiments that they will offer in Mad Science After school club which you will receive further details about next week.

After School Club

Children have had a great time at our specially themed evenings at after school club. Potatoes have been planted outside and flags made—ready for our school float in this year's Croft Carnival.

We are now excited to offer an evening of cooking—this will begin next Wednesday. Further details about the timetable of dishes

to be made will be shared via class dojo.

Can you help? Donations needed

As part of getting ready to begin our offer of Opal play we would love to offer playtime opportunities for small world play and construction. If you have any unwanted Lego or small world toys such as dinosaurs, dolls or animals please donate them at the school office.

Y6 Photographs

Next Friday, the Warrington Guardian will be in school to take a class photograph of our Year 6's as part of their Primary School Leavers' feature. Please make sure children are wearing their full school uniform on this day.

ATTENDANCE MATTERS!
